

2016 MANAGER GAMES POSTSEASON TOURNAMENT

#managergames

To advance through the bracket, teams have two options. Option 1 is to play the game (two 20-minute halves, 2's and 3's, clock stops last two minutes, common fouls in last two minutes are 1-and-1). Option 2 is determining the winner 50% by expected score of the game at a neutral site (by KPI) and 50% by fan vote. The expected score of the game (and hence 50% of the vote) is listed on the bracket for each matchup. Twitter polls will be used to determine the 50% fan vote and are live. **Voting for the third round will run through Wednesday, March 16 at 11:59 p.m. ET.** Voting and deadlines for future rounds will be announced as the tournament continues.
